Date: December 14, 2019

Time: 8:30am - 2:30pm

Organizer: Jim Howard

Non-Profit: Knights of Heroes

<http://knightsofheroes.org/>

WITH

25 DAYS

OF GIVING

### Purpose:

The Knights of Heroes camp sits in the thickly wooded mountains near Victor. It becomes necessary to mitigate fire hazards around the camp by removing both pines and aspens. We will help the camp by cutting splitting and chipping up a series of flagged trees. We will also be loading up several trailers with the split firewood, and we then will deliver this wood to La Puente. La Puente is a homeless shelter that's nestled near Alamosa. The firewood will be distributed to the migrant workers who winter in the area. Many of these homes are simple Home Depot sheds with a stove. We're looking forward to exercising this volunteer opportunity to help two fantastic organizations.

### How you can help:

The more hands, the better!
