Purpose:

The holiday season can be a sad time of year for children who have suffered from abuse, neglect or are at-risk situations. Realities For Children's Bikes For Tykes program gives bicycles and new helmets to children ages 2-17, who have suffered from abuse, neglect or are at-risk situations.

How you can help:

1. Donate a new bike for ages 2-17 (all bike types are ok)
2. Donate a gently used bike in good working order -they will be safety checked and refurbished by a certified bike mechanic
3. Donate Cash directly to Realities for Children via their website - (Write Elder Construction Bike Drive in the comments section)
